

SOBRATO STUDENT BRAG SHEET

Student Name: _____ ID #: _____

Brag Sheet Recommendation for: college application(s) scholarship(s) job reference

Please return this form and answers to the questions below typed or neatly written on a separate sheet of paper. To facilitate the writing of recommendations please answer completely to the best of your ability. This entire sheet should be written by the student except for the last 2 questions.

1. Type out your full name, birth date, address, email, and telephone numbers.
2. Please list which colleges, types of scholarship, or job to which you'll be applying.
3. By what date do you need the letter?
4. What is your passion? Tell me something that you do or believe that really makes you come alive.
5. What career/major do you plan to pursue and why?
6. During your high school career, what do you consider your proudest academic accomplishment? Proudest personal accomplishment?
7. Imagine you are writing a letter of recommendation for yourself. How would you describe your best qualities? Tell me about at least three.
8. Please list three words that best describe you and why?
9. If you worked during high school, what job experience has contributed to your future goals and how?
10. List any extracurricular activities/involvement and how many years of doing them.
11. Describe any other activities in which you are involved (church, scouts, tutoring, community/school clubs or agencies, etc.)
12. How did your community service (services beyond self) contribute to your future goals?
13. What world events, books, classes, or philosophies made an impact on you or changed your way of thinking?
14. Describe significant travel experiences and how they affected you (what you learned.)
15. Describe any special talents you possess (music, art, sports, leadership, etc.) Include training and years of involvement.
16. Describe special circumstances, difficulties, or obstacles that you have had to deal with during your high school career, if any, and how you dealt with them and what you learned.
17. What are the top priorities in your life? Do you have a particular "philosophy of life"?
18. Please ask your parent to write one paragraph about you. They can brag about you better than you can.
19. Ask a best friend to write a few sentences that best describe you.
