Student parking at Ann Sobrato High School is a privilege, not a right!! The parking fees are fundraisers for ASB activities which benefit our students. All vehicles entering, parking, and exiting Ann Sobrato High School's student parking lot will be at the determination of the Administration. Student vehicles are subject to the regulations imposed by school policy as is posted, written in the agendas, or otherwise verbally announced. All student vehicles, drivers, and passengers are subject to a search upon entering Ann Sobrato High School. Students may obtain a parking permit under the following conditions:

1. Student possesses a valid California driver's license and has insurance coverage for the vehicle.
2. Student must have all delinquencies (monies owed for books, equipment, school equipment, school property, etc.) cleared
3. Student agrees to park in the student designated parking areas only.
4. No student may enter or exit through the access road, which is the road by the gym and tennis courts.
5. All students will check out through the attendance office before leaving campus during normal school hours.
6. Student will not access parking areas during scheduled class time. Students will remove all books, lunches, homework, clothing, etc. from cars so as not to have to return to the parking lot until it is time to leave campus.

**LOCK YOUR CAR!!!**

Permits may be obtained through the ASB office for a fee of **\$40 with an ASB card or \$60 without an ASB card.** Senior reserved spots are **\$60** with an ASB card and **\$80** without an ASB card. Students will not be allowed into the school parking lot without a permit. Permits must be **visibly** displayed on the rear view mirror and shown to the campus supervisor when entering. Cars without visible permits will be issued citations by the Morgan Hill Police Department. **Important: ASB cannot void citations.** If you receive a citation, it is your responsibility to work with the Police Department and/or Traffic Courts. **Possessing a decal hanger but not hanging it on the rear view mirror is not grounds for a citation to be voided. There is a \$5.00 fee to replace a lost/stolen permit decal hanger.** Permits may be withdrawn or suspended for failing to comply with the conditions cited at the discretion of the administration. Students who park diagonally, speed, loiter, or drive on the access road can have their parking permit revoked. Any attempt to make copies of parking permits will result in the loss of parking privileges to **all** those involved. If a student receives 6 unexcused absences in a class, they will lose their permit. **A car may be towed away at the student's expense.** ASHS is not responsible for theft or damage to vehicles. Students park at their own risk.

I have read and understand all the above school parking regulations. I have adequate insurance as is required by law. I agree to abide by the parking lot policy and understand the school may take appropriate disciplinary actions should the applicant fail to abide in the spirit of the regulations.
