

# ***French Summer Assignment 2017***

## ***Honors French 3 and AP French language***

*French cinema can be entertaining, beautiful, thought provoking and educational. In preparation for the Honors 3 and AP French course 2017/2018 you will watch four (4) French language movies produced in the francophone world. Then:*

- 1. Write a summary and a personal reflection in French for each movie. Rate the movies by giving it 1-5 stars.*
- 2. Make a vocabulary list with definitions of 15 new vocabulary words and expressions that you learned from each movie. Verbs have to be written in the infinitive form and nouns must have the gender indicated.*
- 3. Have your parent/guardian sign your work and state that each movie indeed was French and enjoyed in French.*

*If you'd rather read a French novel as your summer assignment you are welcome to do so instead. Write an essay with your reflections, write vocabulary you needed to look up and bring the book when you turn in your summer assignment.*

*I look forward to collecting your work on the first day of school in the fall of 2017.*

*Bon courage et bonnes vacances!*

*Madame Miller*
